

JOHN MARK ALCARDE

Web Developer

ABOUT ME

I am a website developer based in the Philippines, specializing in crafting engaging and dynamic pages using DIVI and Elementor builders. I have a strong passion for learning and am always eager to embrace new experiences and challenges.

EXPERIENCE

Senior Web Developer/Manager

De Online Website Bouwer

March 2025- Present

I work as a Senior Web Developer and Manager for a Netherlands-based company, where I develop websites for new clients while managing and reviewing the work and progress of other developers.

Web Developer

Arch SEO

January 2025- February 2025

I worked as a part-time developer for a Singapore-based company, where I developed three WooCommerce projects.

Web Developer

Phoenix Support Services, Inc.

February 2023- December 2024

I work as a front-end and back-end WordPress developer for a U.S.-based company, responsible for building new client websites and maintaining existing ones to ensure performance, security, and functionality.

Junior Developer

Maydesign Inc.

June 2019- December 2022

I am an in-house support developer for a local company, handling development and technical support for several WordPress clients.
